

ART LIBRARY FOR SALE

4000+ volumes

Most of the Library consists of books dealing with Western European Art and includes art historical texts, monographs, exhibition catalogs, museum publications in English, French, German and Italian. Smaller sections include books on:

- American Art
- Asian Art
- Ethnic Art
- Architectural History
- Photography

The library also includes a sizable number of books dealing with antiques with special emphasis on furniture, textiles, porcelain and silver.

The 4000+ volume library is supplemented by the inclusion of special auction catalogs of single owner sales including major estate and collector sales. Additional inclusions are extensive runs of Drawing, Master Drawings and Hali Periodicals. Together with early 20th century hard cover volumes of Connoisseur magazine.

In addition a set of Thieme-Becker (37 volumes) and Vollmer Künstler Lexikon (6 volumes) is included.

SHELVING INCLUDED!

Most of the book shelving is included in the sale! Eight large solid redwood bookcases are from the old Stanford Museum Herbarium Library which was dismantled in the early 1970s. The remainder are modern bookcases.

The entire library is currently in a Storage unit in San Rafael, CA and can be viewed by appointment. The books with the exception of the boxed auction catalogs and periodicals are all shelved, but not sorted for viewing.
